

Pre-School Music Program

June 4 - July 27, 2012

Mondays, Tuesdays, and Thursdays. The program changes weekly.

There will be morning, afternoon and evening classes, 30 minutes each; times to be determined.

Group 1: for 4 and Pre-K 5 yr olds.
Pre-K = not entering Kindergarten this fall.

Group 2: pre-piano class for students entering Kindergarten this fall.

Three to five students (plus a parent / care-giver) per group.

Tuition: \$50 for the entire summer - attend as many or as few classes as you wish and your schedule permits!

Teacher: Sibylle Kuder, Member MAMTA, KCMTA, KMTA, MTNA.

In addition to owning an independent piano studio, I am certified to teach "Family Music" and "The Cycle of Seasons," both of which are Early Childhood Music and Movement education programs of the Musikgarten Curriculum.

The studio, Elfenbein Klaviermusik, is located in Lee Mill Heights, off Miller Parkway.

The curriculum is unique, based on several Early Childhood Music and Movement programs and ideas: Musikgarten, Shinichi Suzuki, Maria Montessori, John Feierabend, Rudolf Steiner, to name just a few.

The goal is to expose young children to music and movement in a group setting, with parents or care-givers actively involved in music making and responding to music.

We will learn finger plays, rhymes, songs, circle dances and more. We will learn to sing in tune, to respond appropriately to different types of music, to move in time with music. Much emphasis is placed on listening: both to music and to instructions. Being able to follow instructions will benefit a child not only in the upcoming school years but also when they start to learn an instrument.

There will be written materials available for parents, either after class or via email, with songs, rhymes, finger plays, etc. covered in class, as well as further explanations of topics, etc.

Expectations: all students and parents / care-givers must wash hands immediately before class (there is a bathroom right in the studio) as there will be much "hands-on" in the form of sharing materials and joining hands for circle dances.

I would ask that you send a short email or text if you will not be able to attend a class so I can plan accordingly.
